TANGENT RECEIVES A
GOLD MEDAL
IN SPAIN!

BACCHUS INTERNATIONAL WINE COMPETITION 2016

“One of only two wines from the United States that medaled at this event, our Tangent Albariño received a Gold! Among the stiff competition of numerous Spanish Albariños, Tangent was one of only 6 of the varietal to medal, and one of only 3 to receive a Gold. The other two gold medal winning Albariños are from Rias Baixas, the original home of Albariño, showing what we've known all along, Tangent stands up to the best Spanish Albariños out there.”
