

BAILEYANA

2017 ROSÉ OF PINOT NOIR | EDNA VALLEY

VINEYARD HISTORY

Jack Niven pioneered winegrape planting with Paragon Vineyard in the Edna Valley in 1973. Not the bystander type, his wife Catharine soon after began a project that grew into what is now Baileyana Winery. In the mid 1990s, their two sons, James and John, purchased property next door, and expanded Paragon Vineyard. They designed and planted these new blocks with select clones, varieties and rootstocks specific to the site. They named this section Firepeak, in homage of the extinct volcanoes in the area, and the resulting volcanic soils.

THE EDNA VALLEY

The coolest growing region in all of California, as cited in a study by Southern Oregon University, the Edna Valley is a mere 5.4 miles from the Pacific Ocean. Consequently, the extended growing season allows grapes grown here to develop intense and complex varietal flavors, while achieving optimum maturity levels. Known as the "Dirt of the Devil," the soils in the northern portion of the valley are also unique. As Islay Hill is the most southern sibling in a chain of extinct volcanoes known as the Seven Sisters, volcanic remnants are combined with clay loam and rocky marine sediment, offering a distinct mix of nutrients and good drainage.

TASTING NOTES

Our 2017 Baileyana Rose of Pinot Noir was harvested at two levels of ripeness to preserve freshness and its elegant fruit flavor. This wine is light pink, almost salmon in color, with fruit flavors bursting from the glass, including watermelon, strawberry, peach and melon with hints of rose petal and red raspberry. The bright acidity creates a delightful freshness that makes this an ideal wine for the warmer months and a perfect year round complement to salads, seafood and any light dishes.

STATS

APPELLATION: Edna Valley

VINEYARD SOURCE: A compilation of Firepeak blocks from our Estate Vineyard

VINEYARD CERTIFICATION: SIP Certified Sustainable

SOILS: Diablo series, clay loam, rocky marine sediment, volcanic remnants

HARVEST DATES: September 6, 2017 to September 21, 2017

AVERAGE BRIX: 25.68

FERMENTATION: Cold tank fermented at 58°F for 8 weeks on Rosé yeast

ML: 0%

ALCOHOL: 13.8%

TA: 6.2 g/l

PH: 3.31

BOTTLING DATE: February 2, 2018

CASES PRODUCED: 1,300 cases

SUGGESTED RETAIL: \$24
